Email: gscheidt@bennett.co.us

Documents Included in Addendum #1: Two Pages total – see information & instructions below

This Addendum supersedes previously issued "Request for Proposal" (RFP) Documents by adding to, deleting from and/or modifying them as set forth herein. To the extent any such addition, deletion or modification result in any conflict or inconsistency between the previously issued RFP Documents and this Addendum, this Addendum shall take precedence.

Request for Proposals, various sections are modified as follows:

1. There will be no Public Opening or reading of submitted Proposals at that time, or any other time. The Proposals will be opened, and carefully reviewed, evaluated and scored by a Town team committee over a period of several days or more. Pricing and evaluation scoring information will not be released until the Town Board of Trustees has awarded a selected Proposer.

Formal Answers to Proposer Inquiries and Requests for Information:

1. Can the Town provide approximate linnear miles of sidewalk to be assessed as part of this part of this project? **The Town has approximately 30 miles of sidewalk.**

2. Can the Town provide curb ramp count? **The Town has a GIS zip file that can be shared. These files are available from Geri Scheidt, upon email request to gscheidt@bennett.co.us.**

3. On page 6 of the RFP, Section III, Contents of Proposal - Can the Town clarify what is required to be submitted for #5 "Detailed, Itemized Schedule of Values worksheet? **Page 13 , Pricing Form, would be used as a base and then the Detailed Itemized Schedule of Values would be an expanded version of the pricing form (i.e., staff hours and rates, expenses, necessary equipment, etc.)**

4. Would the Town clarify if a separate pricing form needs to be submitted for each staff member of the responding firm, or would the "participant" be regarded as the responding firm as a whole? **Participant is regarded as a responding firm as a whole. Pricing Form would be used as a base and then the Detailed Itemized Schedule of Values would be an expanded version of the pricing form (i.e., staff hours & rates, expenses, necessary equipment, etc.)**
