RE: **Addendum 001**

The intent of this addendum is to provide potential bidders with supplementary instructions and notification of date changes.

Per the RFP (23-002) released on Monday February 13th, 2023, the initial dates contained therein were as follows:

February 13, 2023	Release of RFP (23-002)
February 21, 2023	Mandatory Pre-Bid Meeting
February 23, 2023	Question Deadline to Town of Bennett
March 1, 2023	Responses Due from Town of Bennett
March 15, 2023	Proposal Submittal Deadline (4:00 PM MST)
March 16, 2023	Bid Opening
March 20, 2023	Anticipated Award Notification
April 4, 2023	Award Contract Anticipated

Due to the holiday (President's Day) and the short turn around, the Town is opting to push back the Q & A dates. These revision dates will take precedent over the dates contained in the RFP and Specification documents. The new deadline dates will be as follows:

February 28, 2023	Question Deadline to Town of Bennett
March 8, 2023	Responses due from Town of Bennett

These are the only two (2) dates that will be changing. Everything else will remain as advertised.

Thank you,

Daymon Johnson
Director of Capital Projects
Town of Bennett
