## PROJECT BACKGROUND AND SPECIFICATIONS

---

### I BACKGROUND

The Town of Bennett ("Town") desires to solicit proposals from interested firms or persons to conduct a Municipal Code Audit to identify barriers to affordable housing development, identify affordable housing review processes to comply with Proposition 123 and explore incentive strategies to encourage affordable housing development in the Town ("Project"). This document sets forth general information and requirements for persons and firms ("Proposers") interested in submitting "Proposals" in response to this Request for Proposals ("RFP").

### II PROJECT DESCRIPTION

This project has two distinct components, a code and process review and researching and presenting how best to encourage the development of affordable housing units in the Town of Bennett.

The Town seeks a consultant to create specific procedures for a fast-track approval process for affordable housing (as referenced in Proposition 123) by auditing our land use code and development processes to identify any barriers to an expedited review process. As part of this review, engage with local developers, referral agencies and Adams and Arapahoe County land use departments to discover barriers and opportunities to affordable housing development in Bennett from these perspectives. Recommendations, including code changes, action plans and potential process changes to expedite the review and permitting process will be created based on a compilation and evaluation of this data.

The Town also seeks expertise in affordable housing development strategies that could be successful in the community, as well as incentive strategies that could facilitate the creation and management of the affordable housing units required by Proposition 123 and identified in the housing needs assessment currently being conducted.

The consultant will need strong writing skills, the ability to conduct research, analyze data and documents, and provide recommendations. Outreach may include stakeholder meetings, surveys, website and on-line engagement and other creative ways to engage all those involved in the development and review process.

The following scope of work is intended to address the major aspects believed to be critical for a successful Project. However, the Town will rely on the selected consultant's expertise in affordable housing and is amenable to suggested revisions to the scope of work. Final scope will be determined in a review with the Town prior to signing a contract for services.

### III SCOPE OF WORK

The desired outcomes of the Project include, in no particular order:

- Support the Town's efforts to meet the requirements necessary to comply with the implementation of Proposition 123.
- An audit of the Town's land use code to uncover any regulations or processes that slow or inhibit affordable housing development opportunities.
- Exploring land use development code amendments that seek to expedite review of affordable housing projects. Recommending and facilitating the implementation of such updates and amendments, after legal review by the Town Attorney.
- Presentations to the Planning Commission and Board of Trustees for feedback and potential adoption of recommended code changes.
- Create a distinct process for fast track review of affordable housing projects as required by Proposition 123.
- Engage with area developers and referral agencies to learn of potential barriers to a fast track review of affordable housing development. Explore process improvements to overcome these barriers and streamline the development process. Potentially creating a system to require a review of the plat, utility plans and construction plans at the same time to ensure a fast track review of the final development plan.
- Create a process that will allow for proper tracking and documentation by staff assigned to advance affordable housing projects and fast track compliance.
- Review the housing needs assessment scheduled to be complete in October 2024, the Town of Bennett Comprehensive Plan 2021 and the community development strategic plan relative to present-day housing needs.
- Research and explore incentives and strategies that would be most beneficial to affordable housing (including rental) development and management. Evaluate and recommend what is most appropriate for the Town.
- Identify systems that need to be in place prior to discussions with property owners, developers, home builders or nonprofit housing providers.

Open to potential modifications and/or additions to the scope of work that would better meet the intent of discovering barriers as well as incentivizing the creation of affordable housing units in the Town.

### **INDEPENDENT CONTRACTOR AGREEMENT BY AND BETWEEN THE TOWN OF BENNETT AND \_\_\_\_\_**

#### **1.0 PARTIES**

The parties to this Agreement are the **Town of Bennett**, a Colorado municipal corporation, hereinafter referred to as the “Town,” and \_\_\_\_\_[**contractor name**]\_, a Colorado \_\_\_\_\_[contractor business entity]\_, hereinafter referred to as the “Contractor.”

#### **2.0 RECITALS AND PURPOSE**

- a) The Town desires to engage the Contractor for the purpose of providing services as further set forth in the Contractor’s Scope of Services (which services are hereinafter referred to as the “Services”).
- b) The Contractor represents that it has the special expertise, qualifications and background necessary to complete the Services.

#### **3.0 SCOPE OF SERVICES**

The Contractor agrees to provide the Town with the specific Services and to perform the specific tasks, duties and responsibilities set forth in Scope of Services attached hereto as Exhibit A and incorporated herein by reference. The Contractor shall furnish all tools, labor and supplies in such quantities and of the proper quality as are necessary to professionally and timely perform the Services. The Contractor acknowledges that this Agreement does not grant any exclusive privilege or right to supply Services to the Town. In its sole discretion, the Town may contract with other contractors to provide the same or similar services during the term of this Agreement.

#### **4.0 COMPENSATION**

- a) The Town shall pay the Contractor for Services under this agreement a total not to exceed the amounts set forth in Exhibit A attached hereto and incorporated herein by this reference. For Services compensated on a per-task basis, such costs per task shall not exceed the amounts set forth in Exhibit A. The Town shall pay mileage and other reimbursable expenses which are deemed necessary for performance of the services and which are pre-approved by the Town Administrator. The foregoing amounts of compensation shall be inclusive of all costs of whatsoever nature associated with the Contractor’s efforts, including but not limited to salaries, benefits, overhead, administration, profits, expenses, and outside contractor fees. The Scope of Services and payment therefor shall only be changed by a properly authorized amendment to this Agreement. No Town employee has the authority to bind the Town with regard to any payment for any services which exceeds the amount payable under the terms of this Agreement.
- b) The Contractor shall submit monthly an invoice to the Town for Services rendered and a detailed expense report for pre-approved, reimbursable expenses incurred during the previous month. The invoice shall document the Services provided during the preceding month, identifying by work category and subcategory the work and tasks performed and such other information as may be required by the Town. The Contractor shall provide such additional backup documentation as may be required by the Town. The Town shall pay the invoice within thirty (30) days of receipt unless the Services or the documentation therefor are unsatisfactory. Payments made after thirty (30) days

may be assessed an interest charge of one and one-half percent (1.5%) per month unless the delay in payment resulted from unsatisfactory work or documentation therefor.

## **5.0 PROJECT REPRESENTATION**

- a) The Town designates \_\_\_\_\_[staff member]\_, \_\_\_\_\_[staff title]\_, as the responsible Town staff to provide direction to the Contractor during the conduct of the Services. The Contractor shall comply with the directions given by said Town staff and such person's designees.
- b) The Contractor designates \_\_\_\_\_[Contractor's project manager's name]\_ as its project manager and as the principal in charge who shall be providing the Services under this Agreement. Should any of the representatives be replaced, and such replacement require the Town or the Contractor to undertake additional reevaluations, coordination, orientations, etc., the Contractor shall be fully responsible for all such additional costs and services.

## **6.0 TERM**

The term of this Agreement shall be \_\_\_\_\_[start date]\_, 20\_\_ to \_\_\_\_\_[end date]\_, unless the Agreement is sooner terminated pursuant to Section 13, below. The Contractor's services under this Agreement shall commence upon execution of this Agreement by the Town and shall progress so that the Services are completed in a timely fashion consistent with the Town's requirements. Nothing in this Agreement is intended or shall be deemed or construed as creating any multiple-fiscal year direct or indirect debt or financial obligation on the part of the Town within the meaning of Colorado Constitution Article X, Section 20 or any other constitutional or statutory provision. All financial obligations of the Town under this Agreement are subject to annual budgeting and appropriation by the Bennett Board of Trustees, in its sole discretion.

## **7.0 INSURANCE**

- a) The Contractor agrees to procure and maintain, at its own cost, the policies of insurance set forth in Subsections 7.1.1 through 7.1.3. The Contractor shall not be relieved of any liability, claims, demands, or other obligations assumed pursuant to this Agreement by reason of its failure to procure or maintain insurance, or by reason of its failure to procure or maintain insurance in sufficient amounts, durations, or types. The coverages required below shall be procured and maintained with forms and insurers acceptable to the Town. All coverages shall be continuously maintained from the date of commencement of services hereunder. The required coverages are:

7.1.1 Workers' Compensation insurance as required by the Labor Code of the State of Colorado and Employers Liability Insurance. Evidence of qualified self-insured status may be substituted.

7.1.2 General Liability insurance with minimum combined single limits of ONE MILLION DOLLARS (\$1,000,000) each occurrence and ONE MILLION DOLLARS (\$1,000,000) aggregate. The policy shall include the Town of Bennett, its officers and its employees, as additional insureds, with primary coverage as respects the Town of Bennett, its officers and its employees, and shall contain a severability of interests provision.

7.1.3 Comprehensive Automobile Liability insurance with minimum combined single limits for bodily injury and property damage of not less than THREE HUNDRED AND FIFTY THOUSAND DOLLARS (\$350,000) per person in any one occurrence and ONE MILLION DOLLARS (\$1,000,000) for two or more persons in any one occurrence, and auto property

damage insurance of at least FIFTY THOUSAND DOLLARS (\$50,000) per occurrence, with respect to each of Contractor's owned, hired or non-owned vehicles assigned to or used in performance of the services. The policy shall contain a severability of interests provision. If the Contractor has no owned automobiles, the requirements of this paragraph shall be met by each employee of the Contractor providing services to the Town of Bennett under this contract.

- 7.1.4 If the Services include the performance of professional services (e.g., architect, engineer, accountant, attorney), Professional Liability coverage with minimum combined single limits of ONE MILLION DOLLARS (\$1,000,000) per claim and TWO MILLION DOLLARS (\$2,000,000) aggregate.
- 7.2 The Contractor's general liability insurance, automobile liability and physical damage insurance shall be endorsed to include the Town, and its elected and appointed officers and employees, as additional insureds, unless the Town in its sole discretion waives such requirement. Every policy required above shall be primary insurance, and any insurance carried by the Town, its officers, or its employees, shall be excess and not contributory insurance to that provided by the Contractor. Such policies shall contain a severability of interests provision. The Contractor shall be solely responsible for any deductible losses under each of the policies required above.
- 7.3 Certificates of insurance shall be provided by the Contractor as evidence that policies providing the required coverages, conditions, and minimum limits are in full force and effect, and shall be subject to review and approval by the Town. No required coverage shall be cancelled, terminated or materially changed until at least 30 days prior written notice has been given to the Town. The Town reserves the right to request and receive a certified copy of any policy and any endorsement thereto.
- 7.4 Failure on the part of the Contractor to procure or maintain policies providing the required coverages, conditions, and minimum limits shall constitute a material breach of contract upon which the Town may immediately terminate the contract, or at its discretion may procure or renew any such policy or any extended reporting period thereto and may pay any and all premiums in connection therewith, and all monies so paid by the Town shall be repaid by Contractor to the Town upon demand, or the Town may offset the cost of the premiums against any monies due to Contractor from the Town.
- 7.5 The parties understand and agree that the Town is relying on, and does not waive or intend to waive by any provision of this contract, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, § 24-10-101 et seq., 10 C.R.S., as from time to time amended, or otherwise available to the Town, its officers, or its employees.

## **8.0 INDEMNIFICATION**

To the fullest extent permitted by law, the Contractor agrees to indemnify and hold harmless the Town, and its elected and appointed officers and its employees, from and against all liability, claims, and demands, on account of any injury, loss, or damage, which arise out of or are connected with the services hereunder, if such injury, loss, or damage is caused by the negligent act, omission, or other fault of the Contractor or any subcontractor of the Contractor, or any officer, employee, or agent of the Contractor or any subcontractor, or any other person for whom Contractor is responsible. The Contractor shall investigate, handle, respond to, and provide defense for and defend against any such liability, claims, and demands. The Contractor shall further bear all other costs and expenses incurred by the Town or Contractor and related to any such liability, claims and demands, including but not limited to court costs, expert witness fees and attorneys'

fees if the court determines that these incurred costs and expenses are related to such negligent acts, errors, and omissions or other fault of the Contractor. The Town shall be entitled to its costs and attorneys' fees incurred in any action to enforce the provisions of this Section 8.0. The Contractor's indemnification obligation shall not be construed to extend to any injury, loss, or damage which is caused by the act, omission, or other fault of the Town.

## **9.0 QUALITY OF WORK**

Contractor's professional services shall be in accordance with the prevailing standard of practice normally exercised in the performance of services of a similar nature in the Denver metropolitan area.

## **10.0 INDEPENDENT CONTRACTOR**

The parties agree that the Contractor is an independent contractor and not an employee of the Town and any persons employed by Contractor for the performance of work hereunder shall be independent contractors and not agents of the Town. Contractor shall have the right to contract and represents that it does contract for similar services with others. Any provisions in this Agreement that may appear to give the Town the right to direct Contractor as to details of doing work or to exercise a measure of control over the work mean that Contractor shall follow the direction of the Town as to end results of the work only. This Contract shall not, in any way, be construed to create a partnership or any other kind of joint undertaking or venture between the parties hereto. The Town will not pay a salary or hourly rate, instead of a fixed or contract rate. The Town will not withhold Social Security, Medicare, State or Federal taxes. Earnings in excess of \$600.00 per year will be recorded on IRS Form 1099-MISC and reported to the IRS.

**AS AN INDEPENDENT CONTRACTOR, CONTRACTOR IS NOT ENTITLED TO WORKERS' COMPENSATION BENEFITS EXCEPT AS MAY BE PROVIDED BY THE INDEPENDENT CONTRACTOR NOR TO UNEMPLOYMENT INSURANCE BENEFITS UNLESS UNEMPLOYMENT COMPENSATION COVERAGE IS PROVIDED BY THE INDEPENDENT CONTRACTOR OR SOME OTHER ENTITY. THE CONTRACTOR IS OBLIGATED TO PAY ALL FEDERAL AND STATE INCOME TAX ON ANY MONEYS EARNED OR PAID PURSUANT TO THIS CONTRACT.**

## **11.0 ASSIGNMENT**
