Thank You all for working diligently to compile your bids as completely and fully as possible. The Town has elected to change the bid date for this project. With Bennett Days, and some time constraints expressed to me by several prospective bidders, we have elected to push the bid date to help you all procure proper numbers and get the most complete proposals possible.

The new bid date will be Tuesday, September 19, 2023.

All bids will be due by 4:00PM MST

All electronic bids should be sent to the following places:
