RESIDENTIAL VIBRANCY INITIATIVE

The Town of Bennett, through the Bennett Residential Vibrancy Initiative (REVIVE), may provide a grant of up to 90% of the costs of a qualifying project (excluding sales tax and town permit fees) in an amount up to \$2,500 per residence, per year. The purpose of the program is to assist eligible property owners and tenants in upgrading their property/building facades to help create and maintain a charming, safe, code compliant and welcoming neighborhood in Bennett, Colorado.

This is a grant program that is administered on a first-come, first-served basis and is subject to annual Town funding. In order for a project to qualify for reimbursement, the project must receive grant approval from the Town prior to beginning construction. Approved residential recipients will be required to provide paid invoices of the completed project, which shall be subject to verification and approval, prior to receiving grant funds and shall meet all Town code requirements. This program does not reimburse sales tax or Town permit and application fees.

The intent of REVIVE is to provide property owners with a monetary support to improve and upgrade the front exterior of their homes, or the backyard, if it abuts open space, which will also improve the aesthetic environment of Bennett, meet code compliance and enhance the neighborhood and the community as a whole.
