

Utility Rate Relief Program

welcome neighbors.

The purpose of the Town of Bennett Utility Rate Relief Program is to grant a 25% rate reduction for current year water/sewer charges incurred after application approval. This rate reduction is offered to low-income, Town of Bennett residents, over the age of 65, who pay the Town of Bennett for water/sewer services. The Town will grant rate reduction on a first come first serve basis until the yearly budget is exhausted.

Qualifications

- Applicants must be listed on the water/sewer billing account.
- Applicants must be over the age of 65.
- Applicants must be approved for participation in the Low Income Energy Assistance Program, LEAP. <https://cdhs.colorado.gov/leap>
