

# Lawn, Seed & Irrigation Exemption Application

welcome neighbors.

*Water Restrictions are in effect pursuant to Resolution 841-20. Per section 2: Upon personal application for a special permit, the Town Clerk or her designee may issue a special permit for daily watering for thirty days for new seed, or twenty-one days for new sod, or for a time determined appropriate for other exceptional requirements. Those exceptions are limited to new landscaping, or those individuals or entities who may have common areas, grounds, or buildings served by a single sprinkler system.*

## PLEASE COMPLETE ALL INFORMATION

Permits allow you to water new sod and seed as needed and between 6 p.m. to 10:00 a.m. New seed is granted a watering exemption for 30 days, and new sod is granted a watering exemption for 21 days.
